Newer players are catching up with the IIMs

As B-Schools in the country are operating in more or less similar modes, the list of top B-Schools in India has remained largely the same. However, this year, NHRDN and Shine.com released the 6th edition of their annual B-School ranking for the year 2018-19. The list includes both private and public B-Schools, as well as IIMs.

The list also highlights the best batches are yet to pass in the top B-Schools’ category in which new norms of ranking are being followed. The methodology involves not only data collection but also data validation. The list also includes some interesting facts and figures that are useful for students who are yet to take the entrance exams or are in the final year of their graduation.

The list has been compiled by NHRDN and Shine.com, the most reliable source of ranking in India. The list is validated by experts in the field and is a reflection of the feedback received from the students.

The list includes the following categories:

1. B-Schools in India
2. B-Schools in South India
